

PUBLIC TARIFF 2026

S 9°48'58" W 35°52'29" · BARRA DE SÃO MIGUEL · ALAGOAS · BRAZIL

LOCATION

A pioneering, eco-chic design resort. Embraced to the north by the resplendent panorama of kilometers of virgin Atlantic forest and to the west by the turquoise enchantment of the open sea, Kenoa is as wondrous as it is private — a place where luxury is defined by its earth-given beauty, recognized by The MICHELIN Guide 2025 with 1 MICHELIN Key, among the finest hotels in Brazil.

SITE DESCRIPTION

The design incorporates a kaleidoscope of architectural facets: rustic African plaster facades, a dry grove of eucalyptus trunks, hand-carved stone walls and the ever-present natural piaçava thatched roofs enveloping the entire complex, forging a harmonious union with the environment.

ACCOMMODATIONS · 23 SUITES AND VILLAS, ALL WITH STUNNING SEA VIEWS

The harmonious connection with nature is present in all 23 accommodations, between Suites and Villas. Some with an ofuro on the balcony and others with private solar-heated infinity-edge pools — a personalized, secluded setting designed for complete well-being.

APOENA SUITE 10 UNITS · 45 M²

Elevated above the natural reserve, it opens onto the ocean. It spans 45 m² — bedroom, bathroom with an internal garden, closet and a balcony with an ofuro — suspended between the forest and the sea. Access is by stairs.

MARAJÓ VILLA 8 UNITS · 70 M²

Right on the beach, the Marajó extends the sea into a private infinity-edge pool, naturally heated by the sun to 28°C. It spans 70 m² facing the ocean: bedroom, living room, bathroom with an internal garden, closet and a deck where the day winds slowly down.

JAOBI VILLA 3 UNITS · 78 M²

The Jaobi has private access to the beach. It spans 78 m² facing the sea — bedroom, living room with a wine cellar, bathroom with an internal garden, closet — and a solar-heated private infinity pool where the landscape carries on.

THE RESORT

Kenoa's service style is intimate without being intrusive, delivered by trained attendants who capture your preferences and needs without you noticing. Kenoa Exclusive Beach Spa & Resort offers a world-class experience, a distinct hideaway that only a fortunate few can enjoy, and that Brazil is proud to present.

FACILITIES

Kaamo — restaurant, wine bar & lounge led by the renowned chef César Santos —, the Kenoa SPA and fitness center, bazaar, pool and beach club, common room, wireless internet and exclusive tours, plus a variety of other services specially designed for a unique experience.

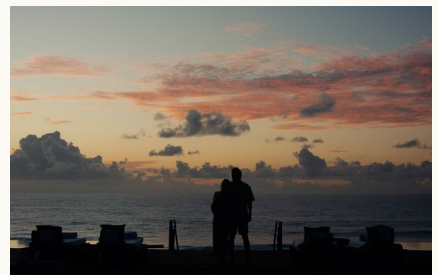

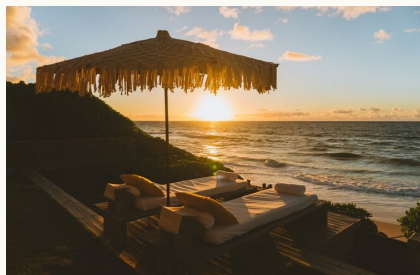

ARAXÁ SUITE 1 UNIT · 63 M²

The only Kenoa accommodation with two bedrooms, it holds two independent suites with panoramic ocean views, private bathrooms and a living room opening onto a balcony with an ofuro. It spans 63 m², elevated above the natural reserve. Access is by stairs.

KENOA VILLA ONE OF A KIND · 200 M²

One of a kind. 200 m² that reveal themselves slowly: indoor and outdoor living rooms, bedroom, closet, ofuro, private outdoor shower, lookout point, and a garden with a private heated infinity-edge pool. Here, silence has a view.

All accommodations feature Egyptian cotton sheets and goose-feather pillows, Smart TV with USB connection, air conditioning, minibar and safe — some with a wine cellar and a Nespresso coffee machine — and all the expected amenities.
